Our Shared Future: Legacy Giving in UU Congregations

Would you like to learn how to encourage your members, friends, and supporters to shape the future of Unitarian Universalism and to make a difference through legacy giving? Join us for a webinar to be presented once a month from August through October!

Jay Pacitti, UUA Legacy Gifts Officer will present the basics of legacy giving and best practices for building a healthy legacy giving program in your congregation, and the Rev. Laura Randall, Legacy Campaign Director will discuss the Wake Now Our Vision Legacy Challenge. We will be hosting this free webinar on the following days:

Saturday, August 18, 2018, 1:00 – 3:00 p.m. EDT

Wednesday, September 12, 2018, 1:00 p.m. – 3:00 p.m. EDT

Saturday, October 13, 2018, 1:00 p.m. – 3:00 p.m. EDT

The material presented will be the same at each webinar; this is not a series. Each workshop will consist of a presentation followed by Q&A.

All are welcome! This workshop is designed for board members, ministers, fundraising volunteers, legacy giving committee members, and finance committee members who want to learn about soliciting, managing, and stewarding legacy gifts to ensure that Unitarian Universalism is answering the call of love for generations to come. **Please note:** other individuals are welcome, but should be aware that this workshop will focus on organizational planning, and will not address personal planning questions.

As learning takes root more effectively when two or more people from the same religious community attend, we encourage you to have more than one person from your congregation attend this webinar.

Each webinar will use the Zoom video conference platform. To join a webinar, please click the link below, OR to join by telephone, call the phone number below and enter the meeting ID number:
